

WASP KILLER POWDER 3KG

A FAST-ACTING, BROAD-SPECTRUM, MULTI-PURPOSE INSECTICIDAL DUST

Application Guidelines

Apply dust as a 'band treatment' to floors and next to wall floor junctions for crawling insect control, or as a 'spot' treatment to cracks and crevices and other harbourages. Apply as a fine surface dust to areas where pests may rest or sit for the control of fleas, lice, ticks and mites. Apply to wasp nests. Use the dust to directly treat ant nests and ant 'runs'. Apply dust as a 'barrier' treatment. This product is ready-for-use and requires no further dilution. Apply product at a rate of 10-25g per square metre. Re-treat as necessary.

Use only in accordance with the directions on the label. To avoid risks to man and the environment, comply with the instructions for use.

STATUTORY CONDITIONS RELATING TO USE FOR USE ONLY AS AN INSECTICIDE

Apply product at a rate of 10-25 g per square metre.
Users must comply in full with all their legal responsibilities under the Control of Pesticides Regulations 1986 (as amended), including complying with all Conditions of Approval.
READ ALL PRECAUTIONS BEFORE USE.
HSE No. 7334

Precautions

Keep out of reach of children. Read label before use. Do not breathe dust. Do not eat, drink or smoke when using this product. Do not get in eyes, on skin, or on clothing. Collect spillage. Dispose of contents/container in accordance with national regulations.
